EXTRACT FROM THE GENERAL ORDER.

HORSE GUARDS, 12th February, 1850.

Her Majesty having been graciously pleased to command, that Medals should be struck, to record the Services of Her Fleets and Armies during the Wars commencing in 1793, and one of these Medals having already been given, under the General Order of the 1st of June, 1847, to every Officer, Non-Commissioned Officer and Soldier, who was present at any of the Battles and Sieges referred to in the above Order, Her Majesty has now been graciously pleased further to command, that one of the same Medals shall be granted to every Officer, Non-Commissioned Officer and Soldier who has not already received one under the above mentioned Order, and who may have been present with the Army which performed the great Achievements in Egypt during the War ending in 1801.

Officers and Soldiers, who consider that they have a claim to receive such Medal, are each to apply,—as directed in the General Order of the 1st of June, 1847;—the General Officers having such claims, through the Secretary of the Commander-in-Chief of the Army:—

The Staff Officers through the General Officers under whom they served,—if alive,—if not alive, through the Adjutant General of the Army;—

Officers, Non-Commissioned Officers and Soldiers of Regiments, Battalions and Detachments, through the Commanding Officer of the Regiment, Battalion or Detachment at the time, if still alive. This will be known by inquiry at the agents of the Regiment resident in London. If such Commanding Officer should not be alive, the application, in writing, must be made through the Adjutant General of the Army.

In extending this further mark of Her Majesty's gracious consideration to those Officers, Non-Commissioned Officers and Soldiers whose claims to a Medal, on account of any of the Services specified in the General Order of the 1st of June, 1847, may have already been admitted, an additional Bar, bearing the word *Egypt* engraved upon it, will be added to the Clasp on which the names of the several Battles, at which such Officers and Soldiers were present, are enumerated.

No. 597.

EXTRACT FROM THE GENERAL ORDER.

HORSE GUARDS, 12th February, 1850.

Her Majesty having been graciously pleased to command, that Medals should be struck, to record the Services of Her Fleets and Armies during the Wars commencing in 1793, and one of these Medals having already been given, under the General Order of the 1st of June, 1847, to every Officer, Non-Commissioned Officer and Soldier, who was present at any of the Battles and Sieges referred to in the above Order, Her Majesty has now been graciously pleased further to command, that one of the same Medals shall be granted to every Officer, Non-Commissioned Officer and Soldier who has not already received one under the above mentioned Order, and who may have been present with the Army which performed the great Achievements in Egypt during the War ending in 1801.

Officers and Soldiers, who consider that they have a claim to receive such Medal, are each to apply,—as directed in the General Order of the 1st of June, 1847;—the General Officers having such claims, through the Secretary of the Commander-in-Chief of the Army:—

The Staff Officers through the General Officers under whom they served,—if alive,—if not alive, through the Adjutant General of the Army:—

Officers, Non-Commissioned Officers and Soldiers of Regiments, Battalions and Detachments, through the Commanding Officer of the Regiment, Battalion or Detachment at the time, if still alive. This will be known by inquiry at the agents of the Regiment resident in London. If such Commanding Officer should not be alive, the application, in writing, must be made through the Adjutant General of the Army.

In extending this further mark of Her Majesty's gracious consideration to those Officers, Non-Commissioned Officers and Soldiers whose claims to a Medal, on account of any of the Services specified in the General Order of the 1st of June, 1847, may have already been admitted, an additional Bar, bearing the word *Egypt* engraved upon it, will be added to the Clasp on which the names of the several Battles, at which such Officers and Soldiers were present, are enumerated.
